2026
Sponsorship

Welcome!

Join us in building a more human society—one where your company's values and our mission meet to create lasting impact.

As a community of people with and without disabilities, we believe in shaping a world where every person is welcomed as a fully valued and contributing member of society.

By sponsoring the Heart of L'Arche Fundraiser, your organization becomes a partner in this vision. Together, we can deepen belonging, strengthen community across the DMV, and ensure the people of L'Arche continue to thrive.

ABOUT L'ARCHE GWDC

L'Arche Greater Washington, D.C. creates homes and community where people with and without intellectual disabilities share daily life and mutual care.

For more than 40 years, L'Arche GWDC has been rooted in Washington, DC and Virginia, fostering stable homes, long-term relationships, and shared leadership within the community.

Through daily life, advocacy, and community presence, L'Arche contributes to a more human society—one built on relationship rather than service alone.

THE HEART OF L'ARCHE FUNDRAISER

“

"My visit to L'Arche was marked by a sense of deep friendship that was evident throughout our entire time. Preparing a meal for the community brought me so much joy—it felt just like cooking in my own kitchen for close friends."

-Andrew Batarseh
